**Made Television response to DUK consultation on the allocation of LCN 7**

Dear Sarah,

Made Television, representing the L-DTPS channels Made in Bristol, Made in Cardiff, Made in Leeds, Made in Tyne & Wear and the soon to be launched Made in Teesside, strongly agree with Option 2; Digital UK's recommended proposal to allocate LCN 7 to BBC Alba and Channel 4 (Wales) and to extend the Local TV reservation at LCN 8 for all Local TV.

Yours sincerely,
