

Digital UK - Retail Support Executive

Job Title: Retail Support Executive

Career Level: Executive

Job Type: Field Based - Retailer Support & Training

Job Status: 12 month fixed term contract

Salary: £19,000 per annum plus 10% bonus + company car

Location: West TV Region – Swindon, Bristol, Taunton

Job Description:

Be part of the biggest change to TV in the UK for over 50 years and work for us here at Gekko representing our client Digital UK in the retail channel. We are currently recruiting for a Retail Support Executives to cover the West TV region.

Based in the West TV region, you'll act as an ambassador for Digital UK, using your training and communication skills to build relationships with retail outlet managers and their staff. Visiting stores on a regular basis, you'll manage the retailer on the shop floor, making sure they have the knowledge, skills, support and tools they need to provide effective advice about the digital switchover process. You'll also be responsible for the merchandising of in-store promotional material and for the monitoring of the 'digital tick' logo scheme.

With a passion for technology, you'll be IT literate, have experience of working in a field/retail based role and be highly motivated to develop your career further.

Interviews will take place locally.

If you are interested in the position, please email your current CV with a covering letter to talent@gekko-uk.com quoting "DUK West".
